ABOUT US

HPF is the internal division of CTP Team and is specialized in manufacturing and supply of high quality filter media for multiple industrial applications

INDUSTRY APPLICATIONS

- Asphalt
- Power
- Mining
- Iron & Steel
- Waste-to-Energy
- Biomass
- Food
- Chemicals & Pharma
- Cement
- Ceramics
- Wood
- Glass

FILTRATION MEDIA

Fiber	Temperature (Cont./Peak)	Acid Resistance	Alkali Resistance	Abrasion Resistance	Flex Resistance
