

Welcome to Metal Fiber World!

The global leader in metal fiber world.

About Us

Our Business in Numbers

40+

Years History

No. 1

in China.

500+

Customers

10

Series

4000+

Specifications

1 M pcs

burners.

500

tons/Y for Metal fiber

300K

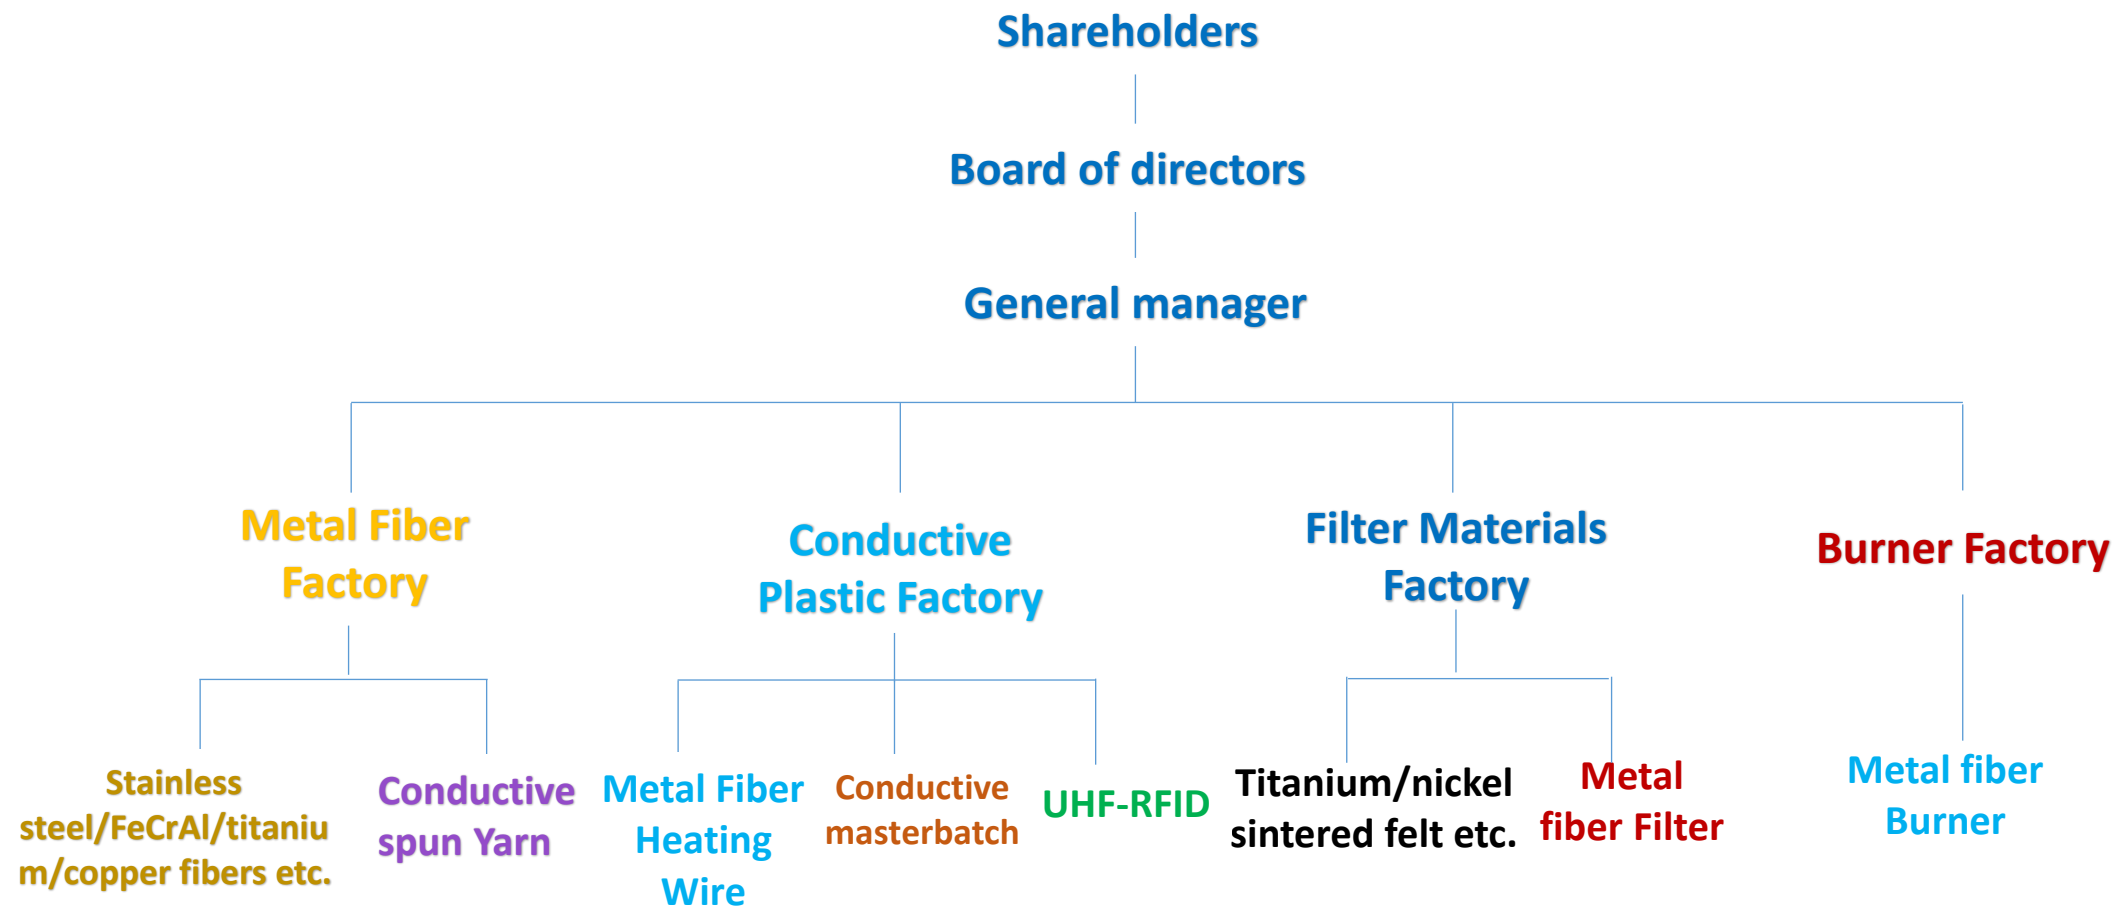

m²/Y for Sintered felt

120

tons/Y for Conductive plastic

The global leader in metal fiber world.

Business Area

The global leader in metal fiber world.

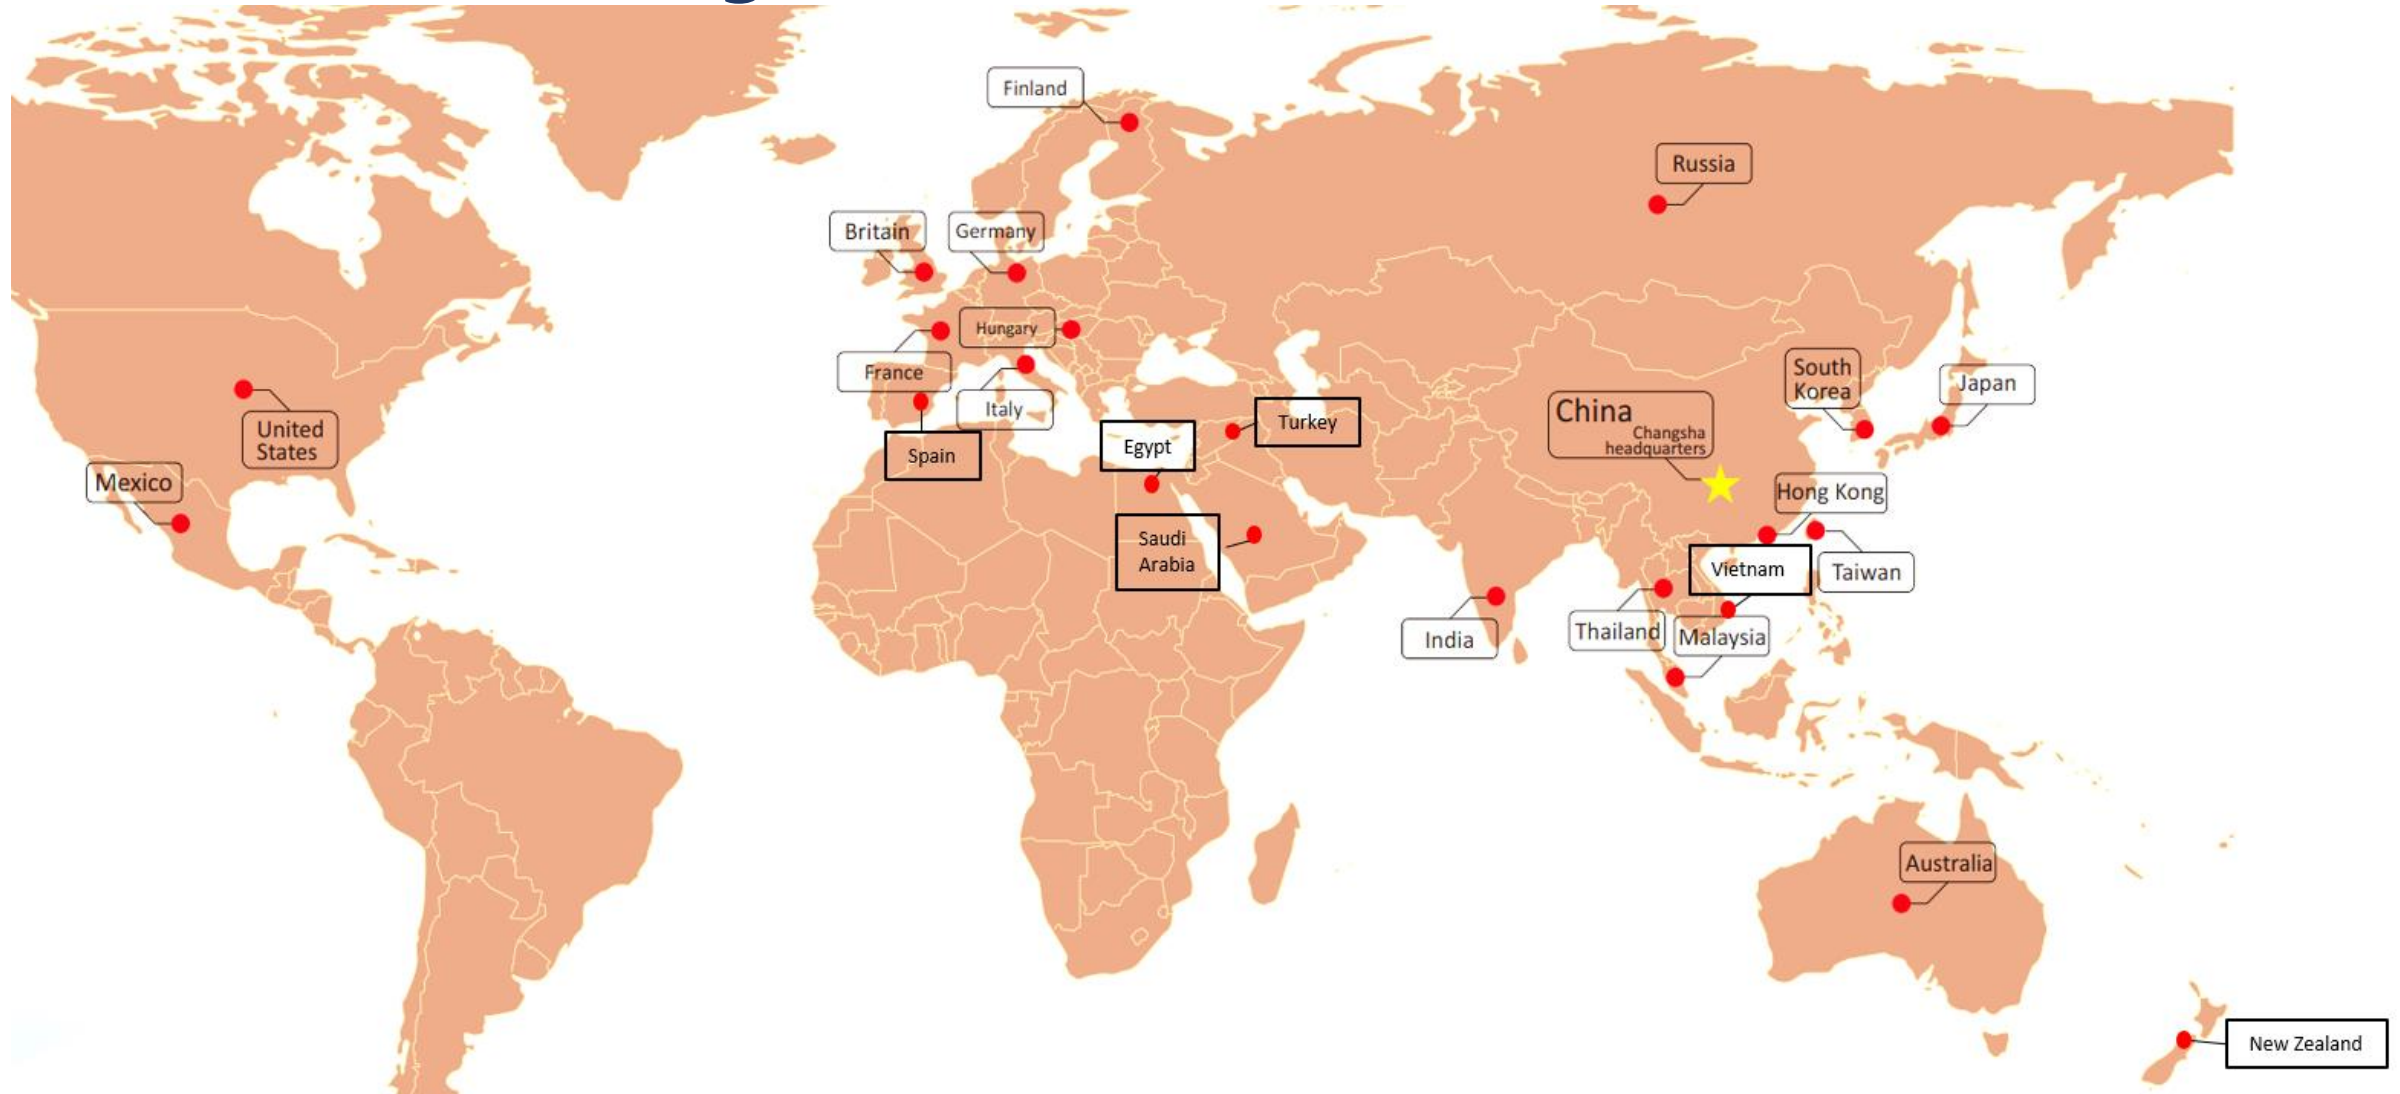

Our certificate

The global leader in metal fiber world.

Marketing Presence

Our Marketing

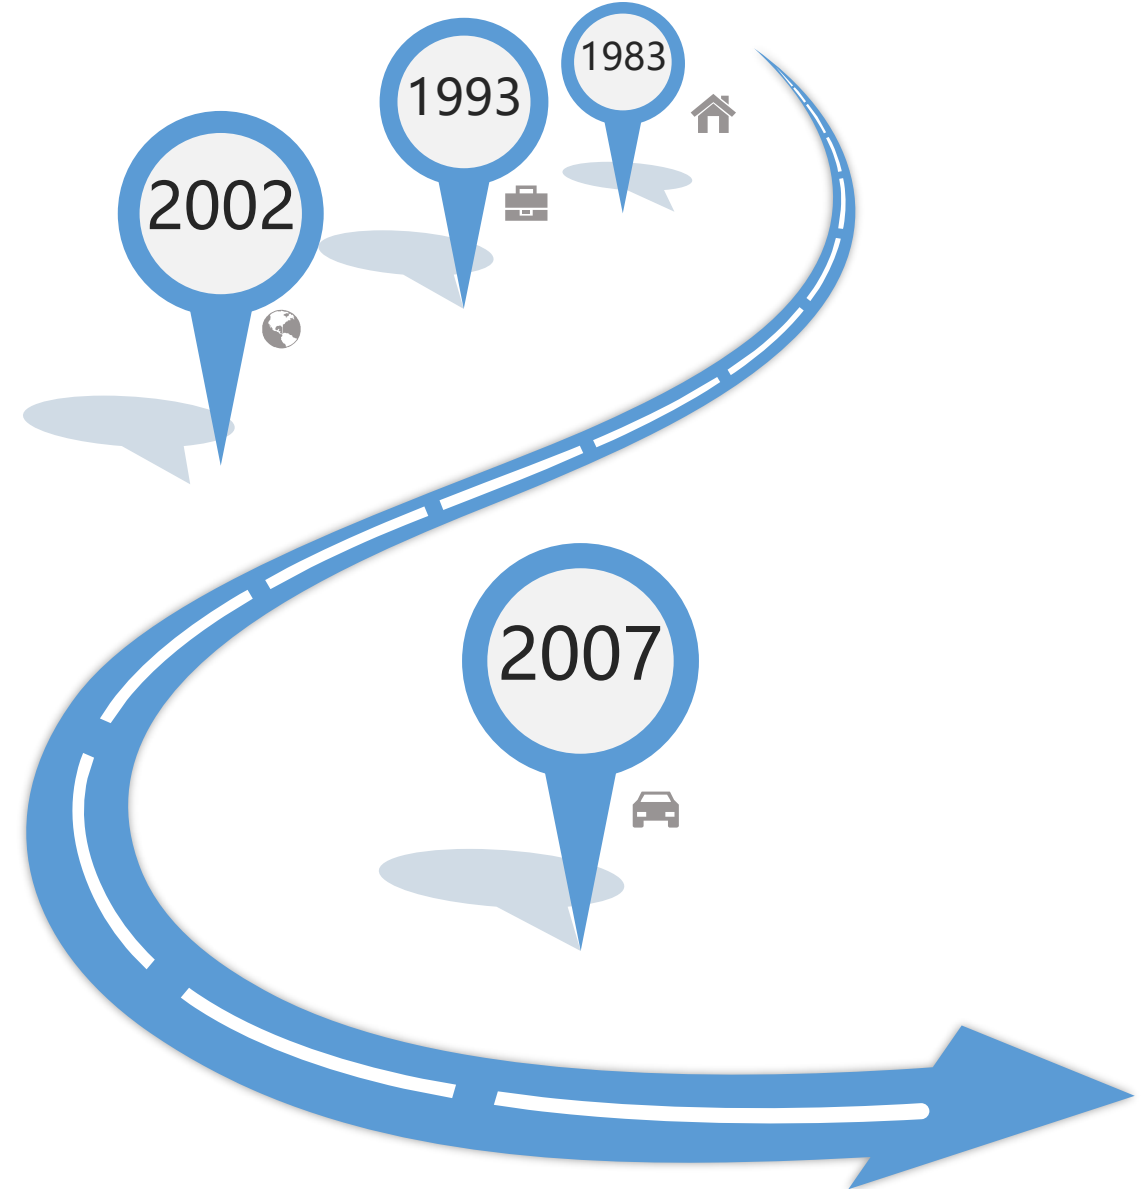

The global leader in metal fiber world.

Our History

- ★In 1983, Ministry of Metallurgical Research Institute established a metal fiber research group.
- ★In 1993-1997, MMRI found a metal fiber factory.
- ★In 2002, the metal fiber factory changed name to Hunan Huitong Materials Co., Ltd..

The global leader in metal fiber world.

Our History

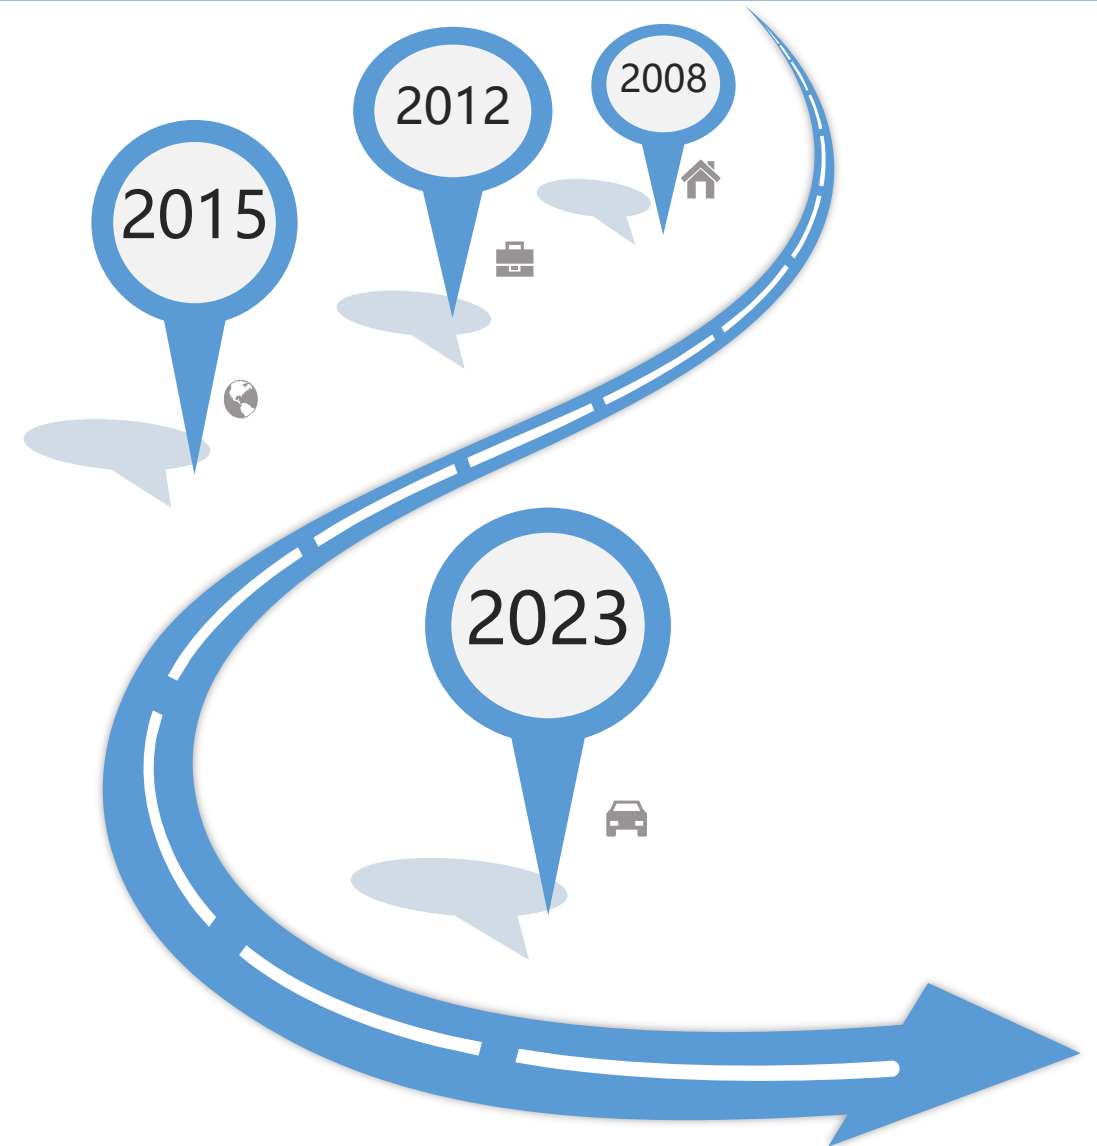

★In 2008, Huitong signed strategic cooperation with GE.

★In 2012, conductive plastic passed verification from GE.

★In 2015, listed on NEEQ market.

★In 2023, listed on Beijing Stock Exchange.

The global leader in metal fiber world.

Our Products Portfolio

Metal Fiber and Wire

Conductive Spun Yarn

Heating wire

Conductive plastics

Filtration

Fabric and Burner

The global leader in metal fiber world.

Our Customers Across Vertical Market

Green Energy

Home Appliance

Medical

Military

Automobile

Petrol Chemical

Textile

Electronic Manufacturing

Special Clothes

The global leader in metal fiber world.
